Dear Rob

On behalf of all of us at the Child Cancer Foundation, thank you so much for your sponsorship of the Champions Luncheons, by providing an Eftpos service for both Wellington and Auckland events.

These two fundraising events were amazingly successful, and combined, raised over \$150,000 for children and their families in New Zealand.

The Child Cancer Foundation receives no government funding, and relies on big hearted New Zealanders to help us raise the money we need to continue the work we do with children and their families as they walk the child cancer journey.

Three children each week are diagnosed with cancer in New Zealand, and collectively these children undergo 75,000 treatments and procedures each year. It is the aim and mission of the Child Cancer Foundation that no child or their family should ever feel alone while they endure the many months and years of treatment, the stresses and strains, and the hardship caused to the entire family.

Thank you for making a difference.

Kind regards
